# KIDS LESSON PROGRAM INFORMATION

## GROUP LESSONS:

Kid's skiing or snowboarding group lessons are specially formatted to place guests with similar ability levels together, ensuring the maximum benefit for each student.

Children's lessons meet on the snow in front of the Pico Base Lodge Monday to Thursday and every day during peak periods. All group lessons are 90 minutes long. The full day program meets at 10am and the ½ day program meets at 10am and 1pm.

Lift ticket and equipment rental is required for all lessons and is **not** included in the price. Rentals added to a kid's program reservation include a helmet.

Pico Mountain requires all Snow Sports School participants ages 4-17 to wear a snow sports helmet while in a lessons. Helmets are included at no charge as part of our equipment rental package for this age group.

Please allow at least 15 minutes for registration and even more time if equipment rental is needed, particularly on peak days. End times are strictly enforced – parents/guardians need to be at the Ski & Snowboard meeting area at the listed times to pick up children.

## LEARN TO SKI/RIDE PROGRAM

Our Learn To Ski & Ride is an all-inclusive program designed to get you started on the mountain. In the gentle learning area, our instructors will help make your first days as seamless as possible.

This program is available for first-time skiers/riders only. The half day includes 1 lesson (choose from morning or afternoon), equipment rental, helmet & Bonanza lift ticket. The full day program includes 2 lessons, equipment rental and a learning area lift ticket (provides access to the Bonanza lift). All group lessons are 90 minutes long. The full day program meets at 10am and the ½ day program meets at 10am and 1pm

Please allow at least 15 minutes for registration and even more time if equipment rental is needed, particularly on peak days. End times are strictly enforced – parents/guardians need to be at the Ski & Snowboard meeting area at the listed times to pick up children.

Pico Mountain requires all Snow Sports School participants ages 4-17 to wear a snow sports helmet while in a lessons. Helmets are included at no charge as part of our equipment rental package for this age group.

## SKIER/RIDER ABILITY LEVELS

Pico matches your child to the right class by asking you to classify them into one of the following categories. Once on the mountain, our instructors will determine the best level within that category to maximize their learning experience.

**WHITE** - 1<sup>st</sup> Time Skier or Rider (will be reserved for Learn to Ski/Ride – includes learning area lift ticket, rental equipment & group lesson)

**GREEN STRIPE** –Skier/rider has skied/snowboarded before but still not comfortable riding a chairlift and is not stopping & turning fully on his/her own yet.

**GREEN** - Skier/rider is riding a chairlift and is able to control speed by turning in both directions and can stop on his own on Green/Beginner terrain. These groups will remain on "Green Circle" terrain, continuing to build confidence and refining skills.

**BLUE** - Skier/rider is comfortably skiing/riding Blue/Intermediate terrain. Can stop, turn & control speed on various terrain. Groups may venture off onto more difficult/advanced terrain

**BLACK** – Skier/rider is comfortable skiing/riding Intermediate & Advanced terrain in various conditions. Group may begin working on technique for skiing/riding moguls, glades and other terrain features.
